**HOMELESS STUDENTS**

In accordance with the Cambridge School Committee Policy on the Education of Homeless Students, the Cambridge Public Schools (“CPS”) has issued the following guidelines and procedures regarding the status and rights of its homeless students. For the purposes of these guidelines and procedures and in accordance with 20 U.S.C. § 11434a(2)(A), a homeless student is one who fits one or more of the following descriptions:

- The student does not have a permanent home.
- The student is in state custody.
- The student lives in an emergency or transitional shelter, is abandoned in a hospital, or is awaiting foster care placement.
- The student lives in a motel, hotel, trailer park, or camping ground due to the lack of alternative adequate accommodations.
- The student lives in a car, park, bus or train station, public space, abandoned building, substandard housing, or other similar setting not designed or ordinarily used as a regular sleeping accommodation for human beings.
- The student shares the housing of other persons due to the loss of his/her own housing, economic hardship, or other similar reason.
- The student is considered an “unaccompanied youth” (i.e. a youth not in the physical custody of a parent/guardian).

Homeless students have rights consistent with the philosophy that no students shall be afforded lesser opportunity or otherwise treated differently from his/her peers solely because of his/her residential status.

1. A homeless student has the right to attend school even though he/she has no permanent address.
2. A homeless student has the right to attend school even if he/she does not have all the documents required for enrollment.
3. A homeless student has the right to continue to attend the same school he/she was attending at the time he/she became homeless while the student remains homeless or until the end of the academic year in which he/she obtains permanent housing. CPS must provide transportation to and from the student’s school if his/her parent/guardian wants the student to remain in his/her original school.

4. Homeless students are entitled to free breakfast and lunch.
5. The parent/guardian of a homeless student has the right to file a complaint if he/she feels that his/her child is being kept out of school unfairly.

Any questions regarding support and resources for students and families who are displaced or in transition should be directed to the Homeless Family Liaison at 617-201-6039.
